Mr. Joseph Jones
Director of Governmental Affairs
2015 Grand Avenue
Des Moines, Iowa 50312

Dear Mr. Jones:

Subject: **I-JOBS Competitive Grant Application For Disaster Recovery
Anamosa Flood Protection Levee
Projected Revenues and Expenses**

The City of Anamosa intends to construct a flood protection levee improvement project. There is no history of revenue and expenditures for a flood control system in Anamosa.

The City does not anticipate the need to create a new City department or fund to manage the flood protection levee project. Therefore, we have not prepared a five year projection of revenues and expenditures.

Please accept this letter as a commitment from the City of Anamosa to allocate \$5,000 to \$10,000 per year from the City's General Fund for the purposes of inspecting and maintaining the City's flood protection levee system.

Sincerely,

Patrick Callahan
City Administrator
